How Fast Can Your Housekeeper Make a Bed and it still look presentable?

One of the most important things to a hotel guest is the cleanliness of their rooms. You can have the best sales team, but if your hotel/motel property is not reflecting a clean image, the chances of getting that “repeat” business will not occur. This year, the Arkansas Hospitality Association challenges the Arkansas Lodging Association membership to conduct an “in-house” bed-making contest for your housekeeping department. Make it fun! Upon choosing your top three housekeepers, register them for the 8th Annual Bed-making Contest to be held on the Trade Show Floor of the Statehouse Convention Center between 1:30 p.m. and 2:30 p.m. on Thursday, September 23, 2010 at the Little Rock Statehouse Convention Center. Awards will be given for the TOP THREE TEAMS, in addition to an OVER-ALL score for the Hotel/Motel Employee who has the fastest score. They will receive a trophy and other prizes.

What are the details?

The AHA will provide a QUEEN-SIZE mattress in the area for the competition

compliments of SERTA.

Each participating hotel will provide:

1 Comforter-Queen

1 Blanket-Queen

2 pillows-

2 pillowcases-

2 flat sheets-Queen

Your housekeepers will be timed on how quickly they can make the bed and extra points for “tightness” & “tidiness” also counts. The bed linens, pillows, & pillowcases will be folded and placed on top of the mattress. When the housekeeper is ready, the time clock will begin and he or she will make the bed.

If you have questions, please call

Jill Thiel at the AHA office.
